

MLHS Graduation Edition Monday, May 11, 2009

## A MESSAGE TO THE CLASS OF 2008 FROM THE PRINCIPAL:

Of the 57 students currently working to fulfill graduation requirements, 50 arrived at the doors of MLHS as Freshmen in August of 2005. A big block of that 50 have been in USD 254 for their entire K-12 schooling! And now you are ready to leave those same doors for one last time as MLHS students. As I reflect back on the past four years at Medicine Lodge High School, I think of how the Class of 2009 has grown and matured. The physical changes are amazing after glancing back through the 2006 yearbook! While some of you have worked harder than others and attained more awards and honors than others, you have left a positive mark on MLHS. No, your class hasn't always agreed as you have progressed on your high school journey, but you have been able to overcome the bumps in the road and reach your goals. On the evening of May 16th you will collectively gather together for one last time as you receive your diplomas in a ceremony designed to show the world what you have accomplished. You will then scatter in pursuit of bigger dreams and goals, carrying with you MLHS roots.

Mike Hubka, Principal

While you reflect on the elements of your Medicine Lodge High School experience, remember those things that you will take with you as you leave; the knowledge and skills, the friendships, the experiences and memories. Remember the value of hard work and other life lessons learned. Remember those who helped get you get this point in your life; parents, teachers, friends, family and the others who helped you. Take a moment to thank them as they support you now and will in the future as well.

I, along with the entire MLHS staff, want to proudly congratulate you on all that you have accomplished in completing your high school education. We have worked to give you the tools you need for creating a successful future, but what actually happens is up to you, so embrace the challenge. We wish each and every one of you the best of luck in all that you encounter in that future.

Sincerely -  
Mr. Hubka

The Medicine Lodge  
High School  
Graduating Class of 2009

invites you to join their  
celebration at  
Commencement Exercises  
May 16, 2009, at 8 p.m.  
Krug Field  
Medicine Lodge, Kansas

Baccalaureate -  
Saturday, May 16th, 2009,  
at 2 p.m. at  
The First Christian Church

# Class of 2009
